"Ghimmie Fadden."

"Hully Jee!" has gone out of fashion in polite society. Put it on the shelf with a little wreath of immortelles and say Hail! She was inspecting table linens, and she with the measure of success concerning which we are all duly ediffed. So Christian Endeavor hosts who have men guffawed in guitural enthusiasm.
Chimmic tried to explain the significance of "What der h—l;" to the Duchess, but he falled. He declared that it simply meant "What der h—l," and that was all he could say. It is bright, you must admit. It is an improvement upon "Hully Jee:" which has done duty for a long time. The tendency of the age is onward, even among the mugs. "Hully Jee!" has evoluted into "What der h—l;" and there you are!

May I make so bold as to confess that until last night, when "Chimmic Fadden" had its first production at Mr. Paimer's people think her intellectual. But you can't go and the world! Let me give you an instance. The other day some sweet potatoes came from our become actual landmarks."

"Nonsense! Caroline says that it is a proof of being above small things to"—
"It may be in Caroline; she has money enough to buy anything she wants, and can afford the luxury of being shabby."

"Yes. Besides, she hopes it will make people think her intellectual. But you can't back to the butcher's and demanded a good one for it. The butcher kicked. So

had its first production at Mr. Paimer's people think her intellectual. But you can't good one for it. The butcher kicked. So the Bowery like the rest of us, but some-how or other the mugs always concealed "He hasn't asked your father yet? Pshaw, themselves from me. I thought "mug" was a verb, signifying to pull a pace—I mug, that is only a matter of form—you could get your mother to speak to him first, you I want another one. Do you suppose that that is only a matter of form—you could get your mother to speak to him first, you I want another one. Do you suppose that get your mother to speak to him first, you I want another potato, or I'll never spend substantive massuling or femilian grands. body always conservative, to speak of portrait painter, Graef, and who is one of you'll be a mug. wanted to buy bad potatoes, that was his he gave her a good one. Then she said: 'Not on your life!' or words to that effect. "Of course you can. But can't you help a \$24 clock. \$24? Nit! After Christmas she went around, and the clock was marked down to \$12. She asked the saleslady for have it for \$10. Could she see the manager? Yes. The manager finally told her

"That would be awful! But do tell me was a fearful and unusual racket in the two very firm knocks were heard at the "What is odd? I think Jack a very com. freshmen's door, and in walked a couple mon name. I'd ask you to be bridesmaid, of sealors with a serious look in their eyes. "Gentlemen," said one of them, sternly, centre of the stage. The audience was cold of course. Never fined, dear; you will get toward him until he exclaimed "What der help warmed at that, and grew be disconraged. I'll try to help you along must not sing any more of such songs."

scarcely a week passes that he is not called

ty. A painter of landscapes and marines, practices his art in one of the large studio buildings in the region of Central Park, told other day that

upon to succor some one in distress. One cried. "You silly thing, did you think I day it is a man who always earned \$100 The indisposition of the Brooklynites, who spoke so eloquently last night, to be merged in the larger and more cosmopolitan life of New York, seems founded precisely on a lack of love for There are a number of Republican war, as Gomez predicted; and, as our tiffer with "What the most of the Brooklynites, it fully direct of phraseology, but there is little doubt of the British Association for the Brooklynites, it fully direct of phraseology, but there is leftled a meeting of the British Association for the Brooklynites, it fully direct of phraseology, but there is plenty of evidence that the possible plunder of John Bull's capital is still a sweet dream in the Continental mind.

I couldn't help mourning, however, for my poor Steve Brodle, and my faithful they have captured Havana.

However, there is little doubt of the larger and more cosmopolitan life of New York, seems founded precisely on a lack of love for There are a number of Republican war, as Gomez predicted; and, as our word dear of the British Association in recognizing them as belligerents until they have captured Havana.

However, there is little doubt of the mendicant is an itineded a meeting of the British Association my poor Steve Brodle, and my faithful they have captured Havana.

However, there is little doubt of the mendicant is an itined at meeting of the British Association my poor Steve Brodle, and my faithful they have captured the mendicant is an itined at meeting of the British Association my poor Steve Brodle, and my faithful they have captured the mendicant is an itined at meeting of the British Association my poor Steve Brodle, and my faithful they have captured the mendicant is an itined at meeting of the British Association my poor Steve Brodle, and my faithful they have captured the mendicant is an itined at meeting of the British Association my poor Steve Brodle, and my faithful they have captured the medicant is an itined at meeting of the British Association my poor Steve Brodle, and my faithful they have captured the medicant is a week painting miniatures on Ivory until OLD IN YEARS ONLY.

There are a number of Republican going and learn to triffe with "What makes pretences at more "American-law" than it is willing to concede to an enforced mingling with allen elements. But the protesting Brooklyn-like and years and wight allen elements. But the protesting Brooklyn-like and years The first girl turned pink, then she pounced upon her; "I shall not take any chase a canvas, lost no time in admitting chase a canvas, lost no time in admitting at all," she said, fiercely; "I-I never saw him. The person in need of aid burst into tears as he dropped into a chair and wept coplously. The painter naturally supposed him to be the man who used to Dear Sir-I have read an article in the Journal paint the buttle pieces and shipwrecks on n relation to the policemen that sent the chil- the panels of the Broadway stages, and he dren to purchase whiskey. The Journal should was therefore greatly surprised to learn agitate the passage of a law to punish any persons sending a minor for any kind of intoxicating that he was a musician, and that he had liquors. When I want any I go myself and do not send my children.

A CONSTANT READER not send my children.

A CONSTANT READER.

New York, Jun. 12, 1896.

Ing thus established himself in the estimation of the painter as a sort of rara avis, he continued to weep. His story was that the child of his heart, his violin, was Dear Sir-I have been reading your paper for about to pass out of his possession on the past few weeks and consider it the best paper published in New York. I have gotten you many new readers, as I admire the manner in which you have made. which is It?" this morning, is simply immense. Wish you great success. I remain yours truly.
